

Part Number: 113A2100-401

Part Description: IB Main Flap Assembly

## Specifications

|                              |                              |
|------------------------------|------------------------------|
| Product Families:            | Flight Controls and Surfaces |
| Product Group:               | Flaps                        |
| Part Number                  | 113A2100-401                 |
| Root Part Number             | 113A2100-XXX                 |
| ATA Chapter 2 Digit          | 57                           |
| ATA Chapter 4 Digit          | 57-53                        |
| ATA Chapter 6 Digit          | 57-53-05                     |
| MFR / Manufacture -CAGE Code | Boeing                       |
| Application                  | B737NG                       |

## Repair

|                      |                       |
|----------------------|-----------------------|
| Part Number          | 113A2100-401          |
| Description          | IB Main Flap Assembly |
| Repair Manual- CMM   | CMM                   |
| Bench Check & Advise | Yes                   |
| Repair               | Yes                   |
| Overhaul             | Yes                   |
| Repair Facility      | Miami Lakes           |

## Logistics

|             |                       |
|-------------|-----------------------|
| Part Number | 113A2100-401          |
| Description | IB Main Flap Assembly |

From sophisticated composite repairs for nacelles and stabilizers to intricate nose-to-tail flight control overhaul, 630 Aerospace offers a full range of services and payment approaches that accommodates each customer's mission requirements, business needs, and financial goals.
